Directors

Max Richman
Jack Layton
Woody Frantz
Eric Walton
John Laurasonius
Harry Perry

Trustee

Wayne Wood
Geo. Stuart
Jim Peck

Additional nominations may be made at the December meeting before the election is conducted.

CD TRI COUNTY DRILL

On Saturday Dec. 9th there will be a Tri-County CD drill. The Woodbury CD Control center station will be manned from 8:00 to 12:00 noon. There will be a special drill at Glassboro requiring hams with 2 meter mobile gear equipped with the new CD Frequency crystals. All participating mobiles report to the Glassboro police station at 9:15 AM. Our CD bus will be in operation for the drill at Glassboro, so anyone who is not mobile will also be needed to man the gear in the bus.

160 METER BAND MAY BE INCREASED

Recently there has been a campaign on 160 and 80 meters to send QSL cards to a group of hams in Cleveland to petition for the return of the complete 160 meter band to the hams. This petition is the result of the FCC discontinuing Loran service in this band. If these hams get enough of our cards we may help to get the band back. I know there are some hams who are not very interested in 160 meters. But let's look at it this way. There are many who do like it and would spend more time on that band if there were more room on it. If 160 is increased, 40 and 80 meters will probably be less crowded. So even if you are not interested in 160 meters, send a QSL card to the address below and have that good feeling of knowing you have done a noble deed for your fellow hams.

SEND QSL to

160 METERS
Cleveland 33, Ohio

12/61

WV2IVZ Dr John Lauruscnius has just erected a tri-band beam. Good luck on the DX John.

W2YNR Paul recently moved into his new QTH at 409 Hamilton Ave., Glassboro.

K2AQL Woody is back on 75 meters after 5 years absence with an 80 meter doublet with open wire feeders and a new home brew rig.

TVI COMPLAINT

A ham in the Woodbury area recently fired up on two meters to test his rig. After a short time a ham down the street came knocking on the door. He wanted to borrow a call book to find where a ham with a certain call lived, because of interfering on his TV set. The two meter ham inquired of his vistor, "what is the call you are interested in?" The visiting ham read off the call and the two meter ham replied, "why! that is my call."

A DX man from W3 land exclaimed, " I guess I will have to put up a beam. My vertical only get me into 250 countries."

WA2NPD Doug had a 40 meter antenna blown down. We hope you are able to repair the damage.

K2POD Chas. is now on 6 meters with a 6 element beam. What happen to CB Chas.?

WA2FMO Eric has built a 200 watt rig for 40 and 80 meters using and 813.

W2MMD Mal is putting a nice signal out on 75 meters. Mal you sound like you belong on this band. Keep up the good work.

OFFICIAL BULLETIN
NR 824

From ARRL Headquarters West Hartford, Conn. Nov. 10 1961
To All Radio Amateurs

Amateurs who have two meter gear are reminded to keep their equipment in readiness for project OSCAR. When launch time approaches, extra bulletins will be transmitted by W1AW at frequent intervals on its announced frequencies listed on page 643 of October QST. The OSCAR Transmitter will operate with 100 milliwatts power on 145.0 Mc. and will transmit the letters HI on CW 73

MINUTES OF THE BOARD OF DIRECTORS MEETING
November 21, 1961
Home of W2CKX, Westville, N.J.

Present:

W2LVW	W2YNR	W2AFZ	K2SOL
W2JOZ	W2KE	W2MMS	
WA2ECR	W2CKX	K2PQD	

The president called the meeting to order at 8:05 PM EST

The treasurer reported a new balance of \$383.58

The secretary read the minutes of the previous meeting, and they were approved.

The application of WV2TZZ, F.W. Bergmann, was approved for presentation to the membership.

W2AFZ reported that the following have been awarded GCARC certificates:

WA2SFY	WA2EUH
W2YNR	K3MPZ

TVI- K2SOL reported that the FCC is sending out new forms which require the complainant to witness the amateurs TV set

Ham Shack- No activity

Ham Fest- The report of the Ham Fest committee was read by the secretary and incorporated into the minutes.

Special Events- No report

Publicity- No activity

Cross Talk- No report

Home Brew- No report. The President requested the committee to give some publicity to this contest.

C.D.- W2KE reported that the transceivers received for this activity were a gift. On Dec. 6 there will be a C.D. drill (regional) from 8 AM to 12 Noon. Both the bus and mobile units will be activated in Glassboro. Those who wish to participate should meet in front of the Glassboro Police station at 9:15 AM.

Old Business:

Code Class:
W2KE reported that there are 8 students in the advanced class and 12 in the Novice class. Van requested club members to drop in and help at any time.

WA2ECR reported that he has reviewed a crystal calibrator and 10 crystals, originally intended to be prizes for the Ham Fest. W2KE moved that they be reserved as prizes for the Birthday party. The motion was seconded and passed.

Old Business (Cont.)

W2MMD reported that the Onized Club had been approached on the subject of a gift in appreciation of our free use of the hall. The following suggestions were recieved; a lighted sign, a long mike connection to the oppisite end of the hall, and a ping pong table. W2LWV will appoint a committe to look into this matter.

W2MMD also reported that a date for the Pirthday party has not been set because of installation of new officers for th Onized Club.

New Business

W2LWV requested K2AQL to put the nominations for 1962 officers in the paper.

The coming Birthday party was discussed. K2SOL moved that K2PQD be advanced \$100 for Birthday party expenses. W2YNR seconded and the motion was passed..

W2KE announced that K2GHZ has offered a chchoise selection of transmitting tubes to the club, gratis. After some discussion it was agreed to hold these for prizes or the white elephant sale.

K2SOL requested information on the club QSL'S. He was informed that there are about 3900 left to sell. (Its a real barcain).

The meeting was adjourned at 9:47 PM EST. Refreshments were served by Mrs. W2CKX.

Respectfully submitted

W2YNR

FLASH :

K2AAA, Frank Whitmore, the man primarily responsible for the club QSL's just informed me that an article on these cards, and how we tackled the problem, will be in "73" very shortly, probably next month. So now when some one gets your QSL you can tell them to read about it in "73"
