*****PRESIDENTS MESSAGE*****

THE MOUNTH OF MAY IS HERE AND THE NUMBER ONE CLUB SUPPORT ACTIVITY OF THE YEAR IS COMPLETED WHICH WAS THE J.C. BIKE HIKE. IT HAS GONE REAL WELL AND ALL CONCERNED WERE APPRECIATIVE. WE ALSO SUPPORTED THE J.F.K. HOSPITAL IN IRATFORD,N.J. DURING A TELEPHONE SWITCH OVER IN APRIL, ABOUT 20 CLUB MEMBERS DID PARTICIPATE. AGAIN A JOB WELL DONE, IT MADE ME VERY PROUD OF THE CLUB AND IT'S MEMBERS. WALK AMERICA WILL ALSO BE COMPLETED BEFORE THE CLUB MEETING, WB2GSF HAS THINGS ROLLING AND I AM SURE IT WILL BE ANOTHER PROUD FEATHER IN OUR CAP.THANKS AGAIN TO ALL WHO PARTICIPATED.

I HOPE EVERYBODY IS GETTING READY TO COME OUT FOR FIELD DAY. WE ARE TRYING HARD TO GET THE SEPTIC SYSTEM IN BEFORE THEN, BUT WE ARE RUNNING INTO ALL KINDS OF BOTTLE NECKS. I STILL THINK IT WILL BE IN BEFORE FIELD DAY.

I AM DISAPPOINTED IN THE SALE OF ADVERTISEMENTS FOR CROSSTALK. A BUISNESS CARD RUN FOR ONE YEAR FOR ONLY \$35.00, BUT SO FAR THE MEMBERSHIP HAS OBTAINED A BIG " 0 ", I AM SURE YOU CAN DO BETTER THAN THAT IF YOU ONLY TRY. I AM LOOKING FORWARD TO SEEING ALL YOUR SMILING FACES AT THE MAY 3RD MEETING.

73 ED W2GSN

*****PROGRAM*****

THE PROGRAM FOR THE MAY MEETING WILL BE:-A VIDEO PRESENTATION OF= A RUSSIAN HAM RADIO TOUR BY W6GWXD, THANKS TO THE N.CALIF.DX FOUNDATION & K2JF.

73 LEN KD2CR

*****DATA UPDATE*****

PLEASE ADD THIS NEW MEMBER TO YOUR ROSTER YOU RECIEVED IN CROSSTALK IN JAN,=

*****POSSIBLE CODELESS LICENSE IN THE AMATEUR RADIO SERVICE*****

THIS COMMITTEE WAS APPOINTED BY THE PRESIDENT PURSUANT TO DIRECTION OF THE EXECUTIVE COMMITTEE AT ITS MEETING OF DECEMBER 10, 1989 (MINUTE 2.6.1), "TO EXPLORE THE IMPLICATIONS OF NO CODE AMATEUR LICENSE AND MAKE A REPORT TO THE ARRL SECOND BOARD MEETING OF 1989." THE EXTENT OF THE COMMITTEE'S INVESTIGATION AND EXPLORATION, AND ITS RECOMMENDATIONS, ARE CONTAINED IN THE BODY OF THIS REPORT, WHICH IS HEREWITH RESPECTFULLY SUBMITTED.

CONCLUSIONS

1. NO LICENSEE SHOULD LOSE ANY PRESENT PRIVILEGES.
2. THE PRESENT TECHNICIAN (A3) POOL IS ALREADY BEING REVISED TO CORRECT SHORT-COMINGS IN ITS SYLLABUS. THE COMMITTEE FEELS THIS ACTION IS NEEDED, AND ITS COMPLETION IS A FOUNDATION OF OUR RECOMMENDATIONS. THE EXAMINATION LENGTH FOR THIS ELEMENT SHOULD BE INCREASED TO 30 QUESTIONS TO ACCOMMODATE THE SLIGHTLY EXPANDED SYLLABUS.
3. THE PRESENT TECHNICIAN CLASS WILL BE RENAMED "TECHNICIAN PLUS." EACH HOLDER OF THE PRESENT TECHNICIAN CLASS LICENSE ON THE DATE OF IMPLEMENTATION OF THIS PROPOSAL BY FCC WILL BECOME A "TECHNICIAN PLUS."
4. A NEW CLASS OF LICENSE, CALLED THE "TECHNICIAN," WILL BE CREATED. TO OBTAIN THIS LICENSE, AN APPLICANT WILL BE REQUIRED TO PASS THE PRESENT NOVICE (ELEMENT 2) AND THE REVISED TECHNICIAN (ELEMENT 3A) WRITTEN EXAMINATION. BOTH OF THESE EXAMINATIONS MUST BE ADMINISTERED THROUGH THE VOLUNTEER EXAMINER PROGRAM AND CREDIT WILL NOT BE GIVEN FOR HAVING PASSED ELEMENT 2 BEFORE NOVICE EXAMINERS.
5. FOR A TECHNICIAN TO BECOME A TECHNICIAN PLUS, HE OR SHE NEEDS ONLY PASS THE NOVICE CODE (ELEMENT 1A) EXAMINATION AT FIVE WORDS PER MINUTE. THIS MUST ALSO BE DONE THROUGH THE VOLUNTEER EXAMINER PROGRAM.
6. THE LICENSE OF THE NEW CLASS SHOULD HAVE DISTINCTIVE CALLSIGNS. THESE WOULD BE 2X3s BEGINNING WITH NA#AAA. UPON OBTAINING A TECHNICIAN PLUS LICENSE, THE FIRST LETTER WOULD CHANGE TO "K" (OR THE APPROPRIATE 1X3 IF THE LICENSEE REQUESTS). IN PRACTICE, THESE LICENSES WOULD PROBABLY BEGIN WITH NE#AAA TO AVOID DUPLICATIONS WITH SUFFIXES ALREADY ISSUED IN THE KA-KC SERIES.
7. THE NEW TECHNICIANS SHOULD HAVE ALL PRIVILEGES NOW ALLOWED PRESENT TECHNICIANS ABOVE 30 MHZ EXCEPT IN THE TWO METER BAND. ON TWO METERS, THE NEW TECHNICIANS SHOULD HAVE ONLY DIGITAL PRIVILEGES FROM 144.9 TO 145.1 MHZ.

TESTING

IN THEORY, THE PRESENT GENERAL WRITTEN TEST IS NO MORE DIFFICULT THAN THE PRESENT TECHNICIAN TEST. INDEED, THEY WERE ONE TEST UNTIL RATHER RECENTLY WHEN THE QUESTION POOL WAS SIMPLY DIVIDED. THE TWO TESTS COVER DIFFERENT SUBJECTS, WITH THE TECHNICIAN BEING MORE STRONGLY ORIENTED TO VHF/UHF TECHNIQUES AND THEORY, WHILE THE GENERAL IS DIRECTED MORE TOWARD HF. THE PRESENT TECHNICIAN QUESTION POOL DOES NEED SOME MODIFICATIONS TO MORE ACCURATELY INCLUDE SUBJECTS WITH WHICH TECHNICIANS NEED TO COPE. THIS SHOULD (AND WILL) BE DONE REGARDLESS OF THE OUTCOME OF THE CODELESS LICENSE PROPOSAL. THE NEW TECHNICIANS SHOULD PASS BOTH THE NOVICE (ELEMENT 2) AND THE NEWLY MODIFIED TECHNICIAN (ELEMENT 3A) WRITTEN EXAMINATIONS TO ACHIEVE THE LICENSE. THE COMMITTEE BELIEVES THAT THE CODELESS TECHNICIAN TEST SHOULD BE ADMINISTERED ONLY THROUGH THE VE PROGRAM. THE PRIVILEGES TO BE GRANTED THE NEW LICENSEES ARE SUFFICIENTLY BROAD TO MANDATE THE CAREFULLY CONTROLLED TESTING. LIKEWISE, THE FIVE WORDS PER MINUTE CODE TEST REQUIRED TO MAINSTREAM TO "TECHNICIAN PLUS" SHOULD ALSO BE ADMINISTERED THROUGH THE VE PROGRAM. INCENTIVES TO MAINSTREAM TO THE TECHNICIAN PLUS ARE ADEQUATE UNDER THE COMMITTEE PROPOSAL. THE PRIMARY DIFFERENCE BETWEEN THE TWO GRADES OF TECHNICIANS ARE THAT THE TECHNICIAN PLUS IS PERMITTED HF CW, AND EXISTING TEN METER PHONE PRIVILEGES, AND ALL-MODE OPERATION ON TWO METERS.

SUMMARY

FOR SEVERAL YEARS, IT HAS BEEN THE GOAL OF THE LEAGUE TO INCREASE THE NUMBER HAMS. THIS POSITION IS WELL-ADVISED. THE COMMITTEE DOES NOT FOR ONE MOMENT ACCEPT THAT THE CODE IS ANTIQUATED OR OBSOLETE. NEITHER DOES THE COMMITTEE ENCOURAGE THE SLIGHTEST EASING OF CODE REQUIREMENTS BELOW 30 MHZ.

CONTINUED NEXT PAGE

****CONTINUATION****

HOWEVER, AS A FILTER AGAINST UNDESIRABLE OPERATORS, MORES CODE HAS DEMONSTRATED ITS OWN LACK OF VALIDITY. MANY UNDESIRABLES HAVE, AT ONE TIME OR ANOTHER, DEMONSTRATED SKILL IN THE SUBJECT. ON THE OTHER HAND, THERE IS MUCH EVIDENCE THAT THE CODE IS FILTERING OUT FAR TOO MANY DESIRABLE AND TECHNICALLY QUALIFIED OPERATORS. THESE INDIVIDUALS COULD LEARN THE CODE, BUT THEY SEE NO RELEVANCE IN DOING SO AND SPURN PARTICIPATION IN A HOBBY GUARDED BY WHAT THEY ERRONEOUSLY BELIEVE TO BE AN ANTIQUATED REQUIREMENT. NO MATTER HOW HARD WE MIGHT TRY, WE CANNOT DEMONSTRATE TO THEM THE FOLLY OF THEIR THINKING. THEY MUST LEARN THIS FOR THEMSELVES. THUS, TO EXPOSE THEM TO THE BENEFITS OF AMATEUR RADIO WHILE AT THE SAME TIME EXPOSING THEM TO THE OPPORTUNITY TO SEE THE BENEFITS OF MORSE CODE, WE PERMIT THEM TO ENTER AND ALLOW THEM TO FIND THE VALUE OF THE CODE AS A MEANS OF PRACTICAL COMMUNICATION. THE PROPOSED STRUCTURE ENCOURAGES THEM TO FIT INTO THE MAINSTREAM OF AMATEUR RADIO. WE CAN ALSO TAKE ADVANTAGE OF THE SKILLS AND KNOWLEDGE THEY WILL BRING TO THE SERVICE. WE BELIEVE ONLY A PROPER WRITTEN EXAMINATION WILL PROVIDE AN APPROPRIATE FILTER. THE PRIVILEGES WE SUGGEST FOR THE NEW TECHNICIANS BOTH DEMONSTRATE A PROPER LEVEL OF COMPETENCE AND EXPOSE THEM TO MORE MATURE OPERATORS AND THEIR TECHNIQUES WHILE PERMITTING THESE NEWCOMERS TO JOIN THE MAINSTREAM WITH AN APPROPRIATE LEVEL OF EFFORT. LIKEWISE, WE BELIEVE THE PRIVILEGES WE RECOMMEND BE RESERVED TO TRADITIONAL LICENSEES PRESENT ADEQUATE INCENTIVE TO THE NEW TECHNICIANS TO JOIN THE MAINSTREAM.

FURTHER, THE COMMITTEE BELIEVES THE CLAIMS THAT VAST Hordes OF NEWCOMERS WILL JOIN HAM RADIO AS A RESULT OF THE CREATION OF THE CODELESS LICENSE ARE PUREST FOLLY. RATHER, WE PROPOSE A FAIRER SYSTEM WITH MORE REALISTIC EXAMINATION FOR THOSE, ESPECIALLY YOUNG PEOPLE, WHO MIGHT JOIN OUR RANKS--AND ONE THAT WILL PERMIT AND INVITE QUALIFIED PROSPECTS INTO THE AMATEUR SERVICE.73

RESPECTFULLY SUBMITTED, GEORGE S. WILSON, III, W4OYI, CHAIRMAN

Field Day - '89' June 24 and 25

Plans for Field Day are moving right along, but there seems to be a lack of takers for the illustrious position of "Band Chairman", so far. This is an unusual set of circumstances for this time of year, but maybe people are still thawing out from the winter. For those that definitely do not want to be a Band Chairman, come on out anyway. Field Day is a contesting event not a life or death situation, so you can make your mistakes and not feel too bad about it. So, I hope no one holds back from coming out only because they have never participated before.

To be honest, with an opinion that is strictly my own, I have no problem with the lower number of bands covered so far this year. In the past we have generally run a 9A or 10A class with about 40 to 45 operators/loggers, which is all well and fine and we have been respectable in the total points we've obtained. Where we seem to have a problem is that we are unable to keep most, if not all, of the stations on the air for the entire 24 hours and subsequently really build up our overall score. If we could take those same 40 to 45 people and apply them to only 7 or 8 stations, there would be more people per station and then some could catch some early sleep and then work during the night. Or at least have more of the 24 hour period covered than has been in the past. There are one or two stations that manage to run the entire 24 hours by scheduling their shifts and their overall score is usually pretty high. If we could do this with most of the stations, I think we would come out with a total score unlike anything we have had in the last 5 years. But like I say, this is merely my opinion and thought I would share it. How Band Chairmen conduct their operations is entirely up to them, I do not get involved with that.

This year I would like to set up a definite intercom system around the site using 147.54 as our freq. It would certainly be easier to find someone, if they need to be found, if they are carrying their HT with them. Besides, not all wives and families come out to Field Day with the OM, so if the XYL calls the trailer looking for you, you will be easier to find by radio, then by running all over the site. So whoever is planning to come out and stay the weekend, please bring your HT and charger with you. It can all be plugged in and recharging while you operate somewhere. If you don't have an HT, don't worry about it as there should be a lot of them around. If you are being sought for some reason, you'll hear about it pretty quick.

The site has changed quite a bit since last year. Primarily with telephone poles being put up for the longwire antennas that have been installed, with more to go up. Therefore, I'm going to hold a Field Day meeting for the Band Chairmen, June 3 at 10 AM, at the site. For Chairmen that have not been out to the site since the poles have been put up, it would be a good idea to see how your location may have changed since last year. Particularly in respect to the installation of your antenna. Just remember, those pole are considered permanently installed, therefore are off-limits for attaching things like antennas to.

If anyone has any questions, feel free to give me a phone call or see me at the meeting.

Art - KA2DOT Chairman Field Day '89'

*****ANNOUNCING A NEW PROGRAM*****

ON MAY 24TH, 1989 at 8 P.M., A NEW PROGRAM WILL BE INTRODUCED AT THE CLUB SITE. I'M SURE THERE ARE QUESTIONS YOU HAVE ABOUT DIFFERENT SUBJECTS AND HAVE NO ONE TO ASK. WELL, STARTING ON MAY 24TH, WE WILL BE PRESENTING SUBJECTS THAT WILL BE DISCUSSED WITH A KNOWLEDGEABLE LEADER PRESENT, THE INTENT IS NOT TO HAVE A LECTURE. THE IDEA IS TO HAVE A ROUNDTABLE DISCUSSION. NONE OF US KNOW EVERYTHING ABOUT ANY ONE SUBJECT. OUR LEADER OF THE DISCUSSION, WHILE HE IS WELL VERSED IN THE SUBJECT MATTER, WILL PRESENT HIS TALK AND THEN THE AUDIENCE WILL GET INVOLVED IN QUESTIONS AND ANSWERS. WE HOPE THAT THIS METHOD WILL BE BOTH INSTRUCTIVE AND INFORMATIVE AT THE SAME TIME. JUST REMEMBER--THE ONLY STUPID QUESTION IS THE ONE YOU DON'T ASK, IF WE ALL ASK QUESTIONS, THERE IS NO REASON THAT WE CAN'T ALL LEARN JUST A LITTLE BIT MORE.===SO, MARK YOUR CALANDER FOR THE 24TH. GET OFF YOUR DUFF THAT NIGHT AND JOIN IN FOR A BIT OF GIVE AND TAKE. THE FIRST PROGRAM WILL BE FRONTED. CHARLIE, K2IQD

*****G.C.A.R.C. THIRTY YEARS AGO*****

MAY 12, 1959, REGULAR MONTHLY MEETING WAS CALLED TO ORDER BY PRESIDENT VAN TURNER, W2KE. THE SECRETARY'S REPORT WAS READ AND APPROVED. THE TREASURER HORACE SIMPSON WAS CALLED UPON FOR HIS REPORT AND PRIOR TO READING SAME PRESENTED TO THE CLUB JACK SPERNER, K6PLT, ex W2CQK. HE THEN PRESENTED A VERY FINE REPORT WHICH WAS ACCEPTED. HE ALSO PRESENTED TWO BILLS FOR PAYMENT, POSTAGE FOR CLUB PAPER FROM CHARLES SKETCHLEY, K2PQD AND A BILL FROM A.A. WILLIAMS CO. FOR WINDOW BUTTONS. MOTION TO PAY THESE BILLS CARRIED.

GEORGE STUART, K2SOL PRESENTED THE REPORT OF THE FIELD DAY COMMITTEE. FOUR CALLS FOR FIELD DAY USE SUGGESTED, K2SOL, K2JKA, W2KE, AND K2AQL. IT WAS MOVED, SECONDED AND PASSED THAT THE CALL K2SOL BE ADOPTED. ALL VISITORS WERE PRESENTED TO THE CLUB AND MADE WELCOME BY PRESIDENT TURNER. WOODY FRANTZ K2AQL CHAIRMAN OF COMMITTEE ON CONSTITUTION AND B-LAWS GAVE THE THIRD READING OF PROPOSED CONSTITUTION AND BY-LAWS AFTER WHICH A BRIEF DISCUSSION ON A BOARD OF DIRECTORS TOOK PLACE. A MOTION WAS MADE, SECONDED AND CARRIED THAT SAID CONSTITUTION AND BY-LAWS BE ADOPTED AS ORIGINALLY READ WITH A BOARD OF DIRECTORS FAVORED OVER A BOARD OF TRUSTEES.

FOLLOWING PERSONS WERE NOMINATED FOR THREE YEAR DIRECTORSHIP: GEORGE STUART, AL ROCHE, MAL MASON. THOSE ELECTED WERE STUART AND ROCHE.

FOLLOWING PERSONS NOMINATED FOR TWO YEAR DIRECTORSHIP: MAL MASON, TAD DEUBER, DELLA PARK ELECTED WERE PARKER AND MASON.

FOLLOWING PERSONS NOMINATED FOR ONE YEAR DIRECTORSHIP: TAD DEUBER, JIM PECK, WALLY MARTIN, CHARLES SKETCHLEY, RAY GIANCHETTI. ELECTED WERE DEUBER AND SKETCHLEY.

JIM PECK WAS NOMINATED AND UNANIMOUSLY ELECTED CORRESPONDING SECRETARY. MAL MASON ANNOUNCED THAT THE JUNE MEETING WOULD FEATURE A CONDUCTED TOUR THROUGH THE PLANT OF OUR HOSTS, OWENS-ILLINOIS CO. PRESIDENT TURNER SPOKE BRIEFLY ON THE LICENSE PLATE BILL PENDING BEFORE THE NEW JERSEY LEGISLATURE AND URGED MEMBERS TO WRITE TRENION REGARDING SAME. MEETING ADJOURNED 21:00 E.S.T. EXCERPT OF MINUTES MAY 1959===TNX C. SKETCHLEY, K2PQD

*****NEW NOVICE AND TECHNICIAN TRAINING*****

CLASSES TO START ON EITHER 18 OR 25TH, TUESDAY NIGHTS FROM 7:00 P.M., UNTIL 9:00 P.M. (COFFEE OR SODA BREAK 8 TO 8:15 P.M.) CLASSES ARE FREE AND RUNS 9 WEEKS FOR NOVICE AND 3 ADDITIONAL WEEKS FOR TECHNICIAN. TELL YOUR FRIENDS, WIVES OR ANYONE ELSE WHO MIGHT BE INTERESTED, CONTACT BILL OR RALPH

AND LEAVE YOUR MESSAGE AT CAMDEN CO. RACES EOC AT CLASSES WILL BE HELD AT THE TRAINING ROOM IN BELLMAWR, BROWNING ROAD., AND LEWIS AVE. CLASS SIZE IS LIMITED SO YOU MUST REGISTER IN ADVANCE. INSTRUCTORS WILL BE BILL HELMETAG, BILL O'DONNELL AND CHICK NAYLOR.

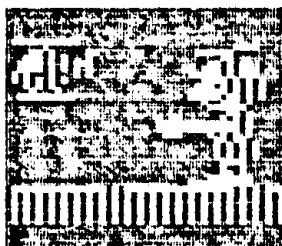

*****AMERICAN CANCER SOCIETY BIKE-A-THON*****

I AM SOLICITING HELP FROM OUR CLUB MEMBERS AND SOME OTHER CLUBS ON BEHALF OF THE CANCER SOCIETY. the date is july 23, 1989, IF YOU CAN HELP LET ME KNOW, LEAVE A MESSAGE AND TEE SHIRT SIZE ON MACHINE,
