The meeting was opened at 8:15 PM by president Mal Mason. Minutes of the August meeting were read and approved. Treasurer Tad Deuber reported \$358.02 in the treasury, but we still owe a \$65 bill from the Ham Fest. Three letters were written to delinquent members reminding them of their dues.

Committees

Program- Max Richmond informs us to report this months program will be a surprise, so all turn out for a pleasant surprise.

Awards- Della Parker reported that 4 new club certificates are being prepared for non club members who have qualified.

CD- Van reports the fall schedule is underway. Westville has purchased a 32 ft. tower and 3 rigs for the borough CD unit.

Code Class- Doug Gehring informed that classes this year will be held in the Woodbury High School, rooms 38 and 39, and to begin on October 4 at 7:15 PM. Classes will be held each Thursday until the middle of next April for Novice, Technician, and General class licenses.

Publicity- An article will appear in the Westville paper about our code classes. Future notices will appear in all county papers announcing the beginning of the code classes.

Ham Fest- Paul Walton reports we still owe \$65 to the Algonkin Club for Ham Fest rental.

Old Business

Paul Walton reported that he and Doug Gehring had completed a write up of the History of the Club. A resume of this will be submitted for publication in the Alno QSO.

An extensive discussion was held on whether or not club members should be notified by mail and should vote by mail on proposed changes to the constitution. The bylaws state that the recording secretary must notify via mail all members of the date when voting will be held on any constitutional change. No decision was reached upon the mail ballot suggestion.

New Business

Hearing no new business, the meeting was adjourned at 9:26 PM and delicious, excellent refreshments were served by Max's ~~XL~~.

Respectfully submitted,

Doug Gehring, WA2NPD
